Sponsor the RLSS

We invite you to sponsor the **sixth** edition of the **Reinforcement Learning Summer School**, taking place in the city of Milan and jointly organized by **Politecnico di Milano** and **Università degli Studi di Milano**.

- Focused on **theoretical** and **practical** aspects of Reinforcement Learning.
- Access to a pool of highly **skilled individuals** for potential **hiring** or **collaborations**.
- Exchange with **world-class experts** in the field of Reinforcement Learning.
- Opportunities to showcase **products**, **services**, and **company culture** to a receptive audience.

About RLSS

Previous Editions
-   Past editions: Nieuwpoort (2017), Lille (2019), Toulouse (2021), Amsterdam (2022), Barcelona (2023).
-   It attracts every year 80 to 120 attendees from all over the world.
-   This year, we expect **~150 participants**, including top-tier PhD and MSc. students, postdoctoral researchers, and industry professionals.

Why Sponsor the RLSS?
-   The success of RLSS is to a substantial extent due to its sponsors.
-   Sponsorship directly results in **reduced registration** fees for the students, thus enabling many young researchers to attend.
-   **Benefits** to sponsors include: display of logos, distribution of promotional materials, privileged contacts with attendees at the booth, etc…
